Welcome!

Welcome to Pacific Office Automation's 4th Annual Golf Benefit in Arizona. Pacific Office Automation would like to thank all of our customers for their continued business and support. We also welcome all potential new customers and look forward to partnering with you in the future.

We will be using a scramble format for our tournament with each team being captained by a professional player. This format will insure that everyone has a good time regardless of ability. In addition, your team captain will also play his own ball for an individual score, and can individually win up to \$1,500 for today's round.

The employees of Pacific Office Automation would like to thank you for your support. Please have a good time!

Sincerely,

Doug Pitassi, President

Adam Pritchett, Regional Vice President

4th Annual Golf Benefit

We have chosen Make-A-Wish as the beneficiary for the tournament. This non-profit organization has enriched the lives of children with life-threatening medical conditions through its wish-granting work.

The Foundation's mission reflects the life-changing impact that the Make-A-Wish experience has on children, families, referral sources, donors, sponsors, and entire communities: "Wish children of the past, present, and future will have an opportunity to share the power of a wish."

To support this foundation, Pacific Office Automation will be making a donation to a Make-A-Wish Family, who will be speaking briefly at the dinner following the tournament.

Scramble Format Rules

1. Professionals are to play from the Cinder tees. Men play from the Championship Copper tees and women play from the Forward Lava tees.
2. Always use the best shot with no limit on number of drives per player.
3. Mark, clean, and replace within one club length of original shot, no closer to the hole. Finish every hole out; no gimmes.
4. The captain's score and then number of eagles and birdies will decide tiebreakers. (Eagles count as two birdies.)

Team Captains

1. Play summer rules unless your shot is chosen for the team which you would be allowed to lift, clean, and replace within one club length, no closer to the hole.
2. Always play your ball to completion.
3. If your shot is not chosen then you will be finishing your hole out while also playing the scramble format with your team. If the team selects a shot other than yours and you hit a better shot from your original play, it cannot be used for the scramble format.

Cheers!
